FYI. Note, there is a January 25th update of the attached Kettering letter that generally removed the statistics on children impacted in Flint. New numbers on that are coming in, so the University appears to have opted to pull the data while it is being revised. If you are interested in the update, you can Google Kettering Letter January 25.

Subject: Weekly Budget Update

Attached are the weekly budget update for January 25, 2016; attachments to the update; and the Association of Clean Water Administrators' Weekly Wrap for January 18-22, 2016.

Thanks,
Laura
